

**PAGE 1** (page numbers not shown to participants)

Please read the following instructions carefully. On the next page, you will be asked a question about the information in these instructions. Incorrect responses will result in the survey exiting, and you will not receive a payment code for Mechanical Turk.

**Task:**

You will look at graphs like the one below and then answer questions about them. These graphs will show trends over time in different cities. Each graph shows a trend for a different city.

Instructions:

Based on these trends, you will be asked: **What can you say about the situation in this city?**

You will click inside one of the boxes to select your preferred judgment.

☐

Neither declining or improving

☐

Improving

☐

Declining

**Speed:**

**We will be measuring how quickly and accurately you make your judgment. It is important that you click your preferred option as quickly and accurately as you can.**

**Duration:**

This short task will be repeated 4 times.

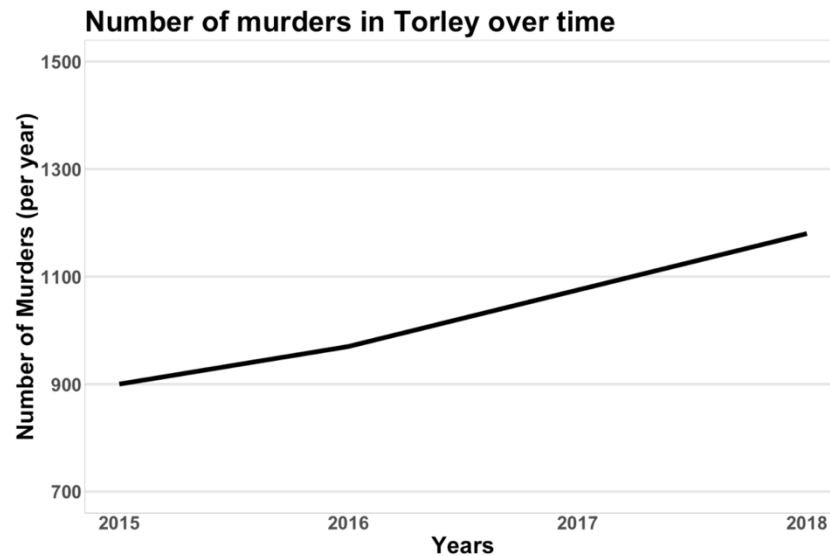

To finish, we will ask you some very basic details about yourself, such as your age and gender.

**PAGE 2** (page numbers not shown to participants)

When you are ready to respond as **quickly** and **accurately** as possible click the next button.
